

Export Procedures

Export of controlled goods are regulated under the Consumer Protection (Export Control) Regulations 2000

1. Application for an export permit

Application for an export permit is sent electronically under the TradeNet Phase V System. The categories of TradeNet users who submit applications electronically are:

- (i) Clearing and Forwarding Agents
- (ii) Customs Brokers
- (iii) Shipchandlers
- (iv) Commission Agents

A company or individual willing to submit their own application electronically has to be registered with the MNS.

2. Approval of Export Permit

Export permits are approved and delivered on the same day provided all conditions are met.

Kimberley Process Certificates are approved and delivered within 2 working days.
