SECOND SCHEDULE  
(regulation 4(1))

APPLICATION FOR A SCRAP METAL EXPORTER LICENCE

The Permanent Secretary

Ministry of .............................................

1. I/We ........................................................................................................................................
   (Name of applicant)
   hereby apply for a licence to carry on a business as a scrap metal exporter.

   NIC number ..........................................
   Residential Address .....................................
   Profession ..............................................
   Telephone number .....................................
   Cellular number ........................................
   Address of scrapyard ..................................

2. I/We undertake to comply with all the relevant provisions of the Consumer Protection (Scrap Metal) Regulations 2007.

.............................................  .............................................
Date                                              Signature of applicant
THIRD SCHEDULE
(regulation 4(1))

APPLICATION FOR A SCRAP METAL DEALER LICENCE

The Permanent Secretary

Ministry of ..................................

1. I/We ...............................................................................................
   (Name of applicant)
   hereby apply for a licence to carry on a business as a scrap metal dealer.

   NIC number  : ..................................  
   Residential Address  : ..................................
   Profession  : ..................................
   Telephone number  : ..................................
   Cellular number  : ..................................
   Address of scrapyard  : ..................................

2. I/We undertake to comply with all the relevant provisions of the

   ..................................................  Date  ..................................................

   ..................................................  Signature of applicant
FOURTH SCHEDULE
(regulation 6(a))

SCRAP METAL EXPORTER LICENCE

1. Mr/Mrs................................................................. of .................................................................

is hereby licenced to carry on the business of scrap metal exporter.

2. Particulars of the licence –

   (a) Amount Paid .............................................
       Date .....................................................

   (b) Licence No .............................................
       Duration of licence: from ............... to ...............  
       Date of issue .....................................

Note: This licence shall be valid subject to –

   (1) the provisions of the Consumer Protection (Scrap Metal) Regulations 2007; and

   (2) the conditions attached to this licence.

   Permanent Secretary

   Ministry of .................................................................

CONDITIONS ATTACHED TO LICENCE

1. ...................................................................................................

2. ...................................................................................................

3. ...................................................................................................
FIFTH SCHEDULE
(regulation 6(b))

SCRAP METAL DEALER LICENCE

1. Mr/Mrs................................................................. of
................................................................................
is hereby licenced to carry on the business of scrap metal dealer.

2. Particulars of the licence –

   (a) Amount Paid :.........................
       Date :.........................

   (c) Licence No :.........................
       Duration of licence: from ............. to .............
       Date of issue :.........................

Note: This licence shall be valid subject to –

   (1) the provisions of the Consumer Protection (Scrap Metal)
       Regulations 2007; and

   (2) the conditions attached to this licence.

Permanent Secretary

Ministry of ................................................................

CONDITIONS ATTACHED TO LICENCE

1. ...................................................................................................

2. ................................................................

3. ................................................................

.................................................................
APPLICATION FOR A SCRAP METAL CARRIER PERMIT

The Permanent Secretary

Ministry of ..........................................

1. I/We ..............................................................................

hereby apply for a carrier permit to transport scrap metal.

NIC number :........................
Residential Address :........................
Profession :........................
Telephone number :........................
Cellular number :........................
Type and registration mark of vehicle :........................

2. I am the owner/lessee of the abovementioned vehicle.

3. I enclose a certificate of the National Transport Authority in relation to
the vehicle.

4. I/We undertake to comply with all the relevant provisions of the

..........................................
Date

..........................................
Signature of applicant
SEVENTH SCHEDULE
(regulation 12(1)(a))

SCRAP METAL CARRIER PERMIT

1. Mr/Mrs. ...................................................................................................................... of
........................................................................................................................................

is hereby issued a permit to transport scrap metal.

2. Particulars of the carrier permit –

(a) Amount Paid :......................
Date :............................................

(d) Permit No :.............................
Duration of permit: from .............. to ..................
Date of issue :..............................

Note: This permit shall be valid subject to –

(1) the provisions of the Consumer Protection (Scrap Metal) Regulations 2007; and

(2) the conditions attached to this permit.

Permanent Secretary

Ministry of ..............................................................

CONDITIONS ATTACHED TO PERMIT

1. .................................................................................................................................

2. .................................................................................................................................

3. .................................................................................................................................
