

**THE CONSUMER PROTECTION  
(PRICE AND SUPPLIES CONTROL) ACT**

**Regulations made by the Minister under section 35  
of the Consumer Protection (Price and Supplies Control) Act**

1. These regulations may be cited as the Consumer Protection (Control of Imports) (Amendment No. 3) Regulations 2012.
2. In these regulations –  
  
“principal regulations” means the Consumer Protection (Control of Imports) Regulations 1999.
3. The principal regulations are amended by revoking regulation 4A.
4. Regulation 11B of the principal regulations is amended –
  - (a) by revoking paragraph (1) and replacing it by the following paragraph –  
  
    (1) Where any imported second-hand (used/reconditioned) motor vehicle or second-hand motor vehicle parts and accessories originating from Japan are certified not to be free from removable radioactive surface contamination by the Radiation Protection Authority, the importer shall, at his own expense, return the contaminated vehicle or contaminated parts and accessories to its supplier not later than 2 months from the date the vehicle or parts and accessories are found to be contaminated.
  - (b) in paragraph (2), by inserting, after the words “contaminated vehicle”, the words “or contaminated parts and accessories”.
5. The Second Schedule to the principal regulations is amended by deleting items 34 and 35.
6. The Fifth Schedule to the principal regulations is amended –
  - (a) in item 4A, in the second column, in subparagraph (i), by deleting the words “one month” and replacing them by the words “2 months”;

(b) by adding the following new item –

28. Second-hand motor vehicle parts and accessories originating from Japan

Be covered by an original Certificate of Conformity that the second-hand motor vehicle parts and accessories have been inspected, not earlier than 2 months before the date of shipment to Mauritius, by Bureau Veritas or Nippon Kaiji Kental Kyokai (NKKK) in Japan, or a competent authority in Japan recognised by the Permanent Secretary, certifying that the parts and accessories are free from removable radioactive surface contamination.

7. These regulations shall come into operation on 16 April 2012.

Made by the Minister on the 16 April 2012.
