

Removal of Export Permits

The Ministry of Industry, Commerce and Consumer Protection wishes to inform the public in general and, stakeholders in particular, that the Consumer Protection (Export Control) (Amendment) Regulations 2016 have been promulgated and are effective as from 15 July 2016.

Consequently, the items listed below have been removed from the List of Controlled Goods and will no longer require an export permit from the Ministry of Industry, Commerce and Consumer Protection:-

- 1) spices; and
- 2) serum, blood samples and biologicals needed for research vaccines, of human origin.

However, the Ministry of Health and Quality of Life will still maintain control measures on serum, blood samples and biologicals needed for research vaccines, of human origin.
