Salim Allykhan, an able member of our senior team, is leaving us for the Ministry of Finance, Economic Planning and Development after 13 years of valuable service.

2. An Accountant with sharp analytical skills, Salim was the Ministry's institutional memory and repository of technical knowledge. He has been involved in almost every policy matter and major decision-making.

3. We wish Salim well and hope that, as the Ministry of Finance makes good use of his experiences, as he advances in his career.
